

Christian Counseling Certification & Licensure Program (Graduate Students)

This program is for those who would like to earn their Christian Counseling Certification and/or License only. There is a separate academic plan for those who would like to obtain both their Christian Counseling License and their Christian Counseling degree. During Phase 1 of the Certification & Licensure Program you will become certified. During Phase 2 of the Certification & Licensure Program you will become licensed. The Minimum Level Requirement for Phase 1 & 2 is a High School Diploma, **transcripts are required**. However, please note that the type of certificate and license you receive is based upon two things (1) clergy or non-clergy and (2) the highest level degree you have obtained at the time your license is earned. This program is a partnership with the National Christian Counselors Association.
